Parent Involvement

We have an incredible group of families that love our school and make many donations of their time, energy, and money. All Garden School families get involved in one way or another. Please consider what your involvement may be.

We are mobilizing different ongoing fundraisers that you can have an active participation in. They are as follows:

- **Boxtops for Education.** Bring in your boxtops for credit for the school. There are several cans located around the school that you can throw them into.

- **Target School Scholarship** Get yourself a Target Card and log on to Target's website.
